

HONORING
OUR
HEROES.

The image features a decorative border at the top and bottom. Each border consists of a central ribbon that curves across the page. On either side of the ribbon are circular medals, each with a five-pointed star in the center. Scattered around the ribbons and medals are several smaller five-pointed stars, some of which have three small dots inside them. The entire scene is rendered in a simple line-art style suitable for coloring.
